ABOUT

Patrick is the Chief Financial Officer of King Industries Corporation and is responsible for the executive oversight of the company's finances and operations. In addition to these responsibilities, Patrick is the lead project financial consultant providing assistance in project reconciliation, expense review, audits, and budget compilation/review.

EXPERIENCE

Certified Public Accountant with over 15 years experience in various industries including commercial, government, not-for-profit and private sector. Patrick has extensive experience auditing governmental entities including county and municipal governments, tribal governments, and other governmental business enterprises. His considerable experience performing single audits in accordance with OMB Circular A-133, encourages sound financial management implementing effective internal controls.
